

Login to Mashav Forms Management System

Connection to the system from a managed computer (in headquarters and embassies)

- 1 Start on your **computer**:
Tap the **icon** located on your desktop

OR

In a **web browser**, enter the URL:

https://mofaallcloud.lightning.force.com/lightning/o/Registration__c/list?filterName=00B4K000007pND3UAM

- 2 Enter your **username** and tap 'Next'

- 3 Enter your **password** and tap 'Verify'

The image displays two sequential screenshots of the Okta login interface. The first screenshot, titled 'Sign In', shows a 'Username' input field and a blue 'Next' button, which is highlighted with an orange border and an orange arrow pointing to it from the left. The second screenshot, titled 'Verify with your password', shows a 'Password' input field with a lock icon and a blue 'Verify' button, also highlighted with an orange border and an orange arrow pointing to it from the left.

4 Tap on **'Set up'**

5 A **QR code** is displayed and needs to **be scanned** within a user authentication app: **'Okta Verify'**

i Follow the instructions below to download the app and scan the code.

6 **On your Phone,** Download the **'Okta Verify'** app from the Google Play store (Android) or the Appstore (iPhone).

7 Tap **'Add Account'** or the +

8 Tap '**Organization**' account type

9 Tap '**Yes, Ready to Scan**'

i In this phase, the connection between the **authentication app** and the **computer** is made.

10 Scan the **QR code** that appears on your **computer** using the '**Okta Verify**' app on your **phone**.

1. On your mobile device, download the Okta Verify app from the App Store (iPhone and iPad) or Google Play (Android devices).
2. Open the app and follow the instructions to add your account
3. When prompted, tap Scan a QR code, then scan the QR code below:

Demo

- 11 There is an option to set biometric identification to enter the application.
You can **skip** this step by taping '**Not Now**'

- 12 If asked, on your computer enter **the code** that is shown in the **app**.
Please note, if the code is hidden tap the eye-shaped icon to unhide it.

- 13 Tap '**Set up later**'

- 14 **You are successfully connected to Mashav**
